

ARCHITECT

We are seeking an Architect with minimum of 5 years experience in all phases of architectural practice. This is a long-term full time position.

Registered Architect and LEED Accredited Professional preferred but not essential.

Qualifications/Requirements:

- Candidate must have a B.Arch or M.Arch degree
- Proficient in CAD (**ArchiCAD or other BIM capable software a plus**), Adobe Suite of design software, MS Office
- Time management, responsible, and strong organizational skills
- Strong communications skills and team mentality are also required

Current projects span a wide array of types and include retail, commercial office, light industrial, high-end residential, restaurants and other businesses in the hospitality industries.

Compensation will be commensurate with experience and includes paid vacation and shared cost for health benefits.

Locals only, no relocation please.

Please send your cover letter, resume and portfolio to: careers@farpc.com
